## ABOUT US

The KAB Seating brand is one of the many brands owned by the Commercial Vehicle Group, Inc (CVG). CVG is headquartered in the USA with operations in Europe, Asia and Australia.

The KAB Seating brand's world leader status comes from the many years of experience we have within seat design, development and production. For over 30 years in Australia and more than 60 years worldwide, KAB Seating products have been synonymous with quality, durability and comfort.

The KAB Seating Office Chair range is no different. The range came about as a result of supplying vehicle seats for the transport, construction, mining and agricultural industries.

The ergonomic characteristics necessary in a good drivers seat are equally as important in the office arena today. The design of the KAB Office Chairs was heavily focused upon criteria laid down by the British National Back Pain Association.

Back pain is the second biggest cause of absenteeism in the workplace and in the UK alone 70 million working days are lost annually.

If you sit with a fixed posture all day you will inevitably end up with physical aches and pains. Movement varies the stress and strains placed on the body. KAB work chairs offer every individual a variety of adjustments to provide frequent posture changes.

Regular posture change is made easy with the variety of adjustments incorporated in KAB Office Chairs, so you'll never find yourself uncomfortable in a KAB 24/7 Office Chair.

# CHAIR STANDARDS

KAB Office Chairs have been tested by the British Office Chair Institute to meet appropriate British, European and Australian Standards. See Table.

	ACS	Director (II)	Associate	Executive	Controller	Manager
<b>Strength, Durability and Stability BS 5459-2: 2000</b>	✓	✓	✓	✓	✓	✓
<b>Strength, Durability and Stability BS EN 1335: 2000 Parts 2 &amp; 3</b>	✓	✓	✓	✓	✓	✓
<b>Ergonomical/Dimensional BS EN 1335: 2000 Part 1, Type C Approval</b>	✓	✓	✓	✓	✓	✓

The ACS, Director (II), Associate, Executive, Controller and Manager chair models have been tested to Level 6 - Severe Commercial Standard. The above chairs have been assessed by Furntech and found to comply with the standard.

The AFRDI Certificates for the above mentioned KAB Office Chairs are available upon request or alternatively can be downloaded from our website.

We pride ourselves upon supplying quality office seating that has been designed to withstand the most severe environments - 24/7 shift work applications. In support of this, we are an ISO 9001 accredited company.

# FEATURES

# KAB ACS EXECUTIVE

The KAB ACS Executive is the top of the range 24/7 office chair. It is a robust, ergonomic, 24/7 chair primarily designed for use by back pain sufferers.

It features eight electrically adjustable air bags in the seat and back cushions. These provide optimum comfort and ergonomic support. Three air bags are located in the backrest which provide variable height lumbar support. Two are located in the side cushions which provide customised side support. Two are located in the side bolsters of the seat cushion and the final one is located in the front thigh cushion for customised thigh support.

Like all KAB office chairs, the ACS Executive also features back recline, tilt-lock and height riser mechanisms. Even the headrest is height and tilt adjustable. Furthermore, the armrests can be tipped-up out of the way or swivelled down to fit comfortably under your desk. The adjustability of this chair makes it an excellent injury rehabilitation chair.

- ✓ AFRDI Level 6 Certified to 150kg
- ✓ Warranted to 225kg
- ✓ 5 Year Warranty

#### Available in:

- ✓ Black Leather
- ✓ Havana Black Cloth
- ✓ Costa Blue Cloth

# KAB DIRECTOR (II)

The new and improved KAB Director (II) has now evolved to meet the latest needs of today's modern workplaces. It now incorporates new features and an entirely new design not previously seen in the earlier model.

Unique to this new model is a seat slide feature and an independent seat-cushion tilt adjustment. These enable the user to customise the length and angle of the seat-pan to suit their individual needs. This makes the Director (II) more versatile in 24/7 shift work environments where user shapes often differ dramatically.

Another new feature is the addition of pockets. These are designed to house the user's mobile phone and ipod. The KAB Director now also includes the ACS comfort headrest as standard which offers the user customised neck support.

All other features such as backrest recline, lumbar support and height adjustment remain the same as the KAB Executive and Controller.

- ✓ AFRDI Level 6 Certified to 150kg
- ✓ Warranted to 225kg
- ✓ 5 Year Warranty

## **Available in:**

- ✓ Black Leather
- ✓ Havana Black Cloth
- ✓ Costa Blue Cloth

The CVG logo is located at the bottom left of the advertisement. It features the letters 'CVG' in a bold, stylized font, with a yellow and black graphic element to the left.

**KAB//Seating**

[www.kabseating.com.au](http://www.kabseating.com.au)

# KAB EXECUTIVE

The KAB Executive is an ergonomic 24/7 chair recommended for people of larger stature. Its primary point of difference from the other KAB office chairs is that it features wider body contoured cushions which offer greater side cushion support.

Like all KAB 24/7 office chairs, the KAB Executive also features an inflatable air lumbar support, backrest recline, height adjustment and tilt adjustment. This tilt feature can be set to free-floating to enable the user to rock back, or alternatively, can be locked to restrict movement. Additionally, the headrest is height and tilt adjustable, whilst the armrests can be tipped-up out of the way or swivelled down to fit comfortably under your desk.

Together these features allow for extensive seat position adjustment which promotes optimum comfort and ergonomic support throughout long shifts. The KAB Executive is therefore ideal for multiple user/shift-work environments.

- ✓ AFRDI Level 6 Certified to 150kg
- ✓ Warranted to 225kg
- ✓ 5 Year Warranty

## Available in:

- ✓ Black Leather
- ✓ Havana Black Cloth
- ✓ Costa Blue Cloth

[www.kabseating.com.au](http://www.kabseating.com.au)

# KAB CONTROLLER

The KAB Controller is an ergonomic, robust 24/7 chair for primary use in surveillance, control station and emergency service department environments.

It features backrest recline, height adjustment and tilt adjustment (free floating setting with customised rocker tension or lock to restrict movement). It also features an inflatable air lumbar support and body contoured cushions. The headrest is both height and tilt adjustable. The armrests can be tipped-up out of the way or swivelled down to fit comfortably under your desk.

No matter what your build, the combination of these features will enable you to completely customise this chair to suit your individual comfort and support needs. More importantly, the adjustability ensures optimum comfort and ergonomic support across multiple users in 24/7 shift-work environments.

- ✓ AFRDI Level 6 Certified to 150kg
- ✓ Warranted to 225kg
- ✓ 5 Year Warranty

## Available in:

- ✓ Black Leather
- ✓ Havana Black Cloth
- ✓ Costa Blue Cloth

The CVG logo is located at the bottom left of the page. It features the letters 'CVG' in a bold, stylized font. The 'C' and 'V' are connected, and the 'G' is separate. The letters are black with a gold outline.

**KAB//Seating**

[www.kabseating.com.au](http://www.kabseating.com.au)

# KAB MANAGER

The KAB Manager is an ergonomic chair recommended for people of smaller stature. Its primary point of difference from the other KAB office chairs is that it features narrow contoured cushions, a shorter seat cushion and a shorter (medium height) backrest.

As with the rest of the KAB 24/7 range, the Manager incorporates our standard ergonomic features. These include an inflatable air lumbar support, back recline, tilt-lock and height riser mechanisms. The headrest is also height and tilt adjustable, whilst the armrests can be tipped-up out of the way or swivelled down to fit comfortably under your desk.

This array of user-friendly controls enables the occupant to customise the seat position to their individual needs each shift. Built with durability in mind, the Manager chair is suitable for multiple user/shift-work environments.

- ✓ AFRDI Level 6 Certified to 150kg
- ✓ Warranted to 225kg
- ✓ 5 Year Warranty

## **Available in:**

- ✓ Black Leather
- ✓ Havana Black Cloth
- ✓ Costa Blue Cloth

# KAB DRAFT CHAIR

The KAB Draft Chair is a robust chair that has been specifically designed for use in toll booth, laboratory and workshop applications.

Like all KAB Office Chairs, the Draft Chair features back recline and height riser mechanisms as well as body contoured cushions and armrests. These features allow for user-friendly customized comfort and support, making it practical in shift work/multi-user environments.

The Draft Chairs' primary point of difference from the other KAB Office Chairs is that it does not feature a tilt-lock mechanism or an air lumbar. Another difference is that the high version (200mm) comes with a 51cm footring.

- ✓ 5 Year General Use Warranty
- ✓ 2 Year 24/7 Use Warranty

## **Available in:**

- ✓ Black Vinyl Trim
- ✓ Charcoal Cloth

## KAB WARRANTY

The KAB Seating range of 24/7 office chairs is warranted as follows:

- ✓ *The frame is guaranteed for 10 years*
- ✓ *All other standard included components are guaranteed for 5 years*
- ✓ *All KAB accessories are guaranteed for 5 years*
- ✓ *All KAB spare parts are guaranteed for 5 years*

These warranty periods are applicable to all users up to a weight of 225 kg. Where the users' weight exceeds 225 kg the warranty is null and void.

### WARRANTY REGISTRATION:

Included in the box with every KAB Office chair is a warranty registration card. Please ensure that the purchaser completes this warranty registration card and returns it as per the instructions on the card.

In the event of a component/product recall, this will enable us to take swift action to using the register to notify all of those who could potentially be effected by this faulty component/product.

### NOTE:

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

# REFURBISHMENT

When your KAB Office Chair becomes damaged, worn, faded or out dated, KAB Seating can refurbish your chair to look, feel and perform like brand new.

KAB Seating offers a wide range of refurbishment services, many of which can be performed on-site thus minimising inconvenience and downtime. Our refurbishment services are undertaken by specialists and all work is re-warranted in line with the warranty for a brand new KAB Office Chair.

## Refurbishment Services:

- ✓ Panel, seat & headrest re-upholstry,
- ✓ Component replacement including foam, castors, armrests and lumbers, etc,
- ✓ Ongoing preventative maintenance programs,
- ✓ Custom designs.

## Benefits:

- ✓ Cost savings in comparison to purchasing a new office chair,
- ✓ Re-warranted as per new
- ✓ Extends the life of your chair(s),
- ✓ Re-using to reduce landfill waste and thus meet green needs,
- ✓ Phased programming for large scale projects,
- ✓ Fast turnaround,
- ✓ Fitted with custom design scheme to match workplace environments,
- ✓ Flexibility to customise your office chair by adding optional extras.
